

Journey To The Center Of The Earth  
(Treasury Illustrated Classics)

Written By: Jules Verne

Twenty Three Chapters / 189 pages

Guided by a mysterious code found on an ancient parchment, Professor Liedenbrock, his nephew, Alex, and their guide, Hans, set off down a volcano on a quest to reach the center of the earth! Along the way, the three explorers encounter many obstacles, such as prehistoric animals, violent storms, ferocious cavemen, and more. Join them on their exciting journey!
